\*Only relevant for half day helpers. There is no guarantee that the preferred time will be given but will be accommodated where possible.

Each club must provide the required number of helpers for either a half or full day as stated in the schedule. More than one person may be used to cover a helper's slot. This is down to the club to arrange, NOT the organiser. E.g. if a helper is required for a full day then a club may provide 3 people to cover this period. However, this is still counted as 1 helper. See schedule for details of number helpers required per team
